

Jonathan Guzman

Carter's

Jonathan Guzman is the Store Sales Manager of Carter's located at 166-07 Jamaica Avenue. He has served in this role for nearly four years. An experienced retail executive, Jonathan is responsible for sales forecasting, adherence to Carter's brand through all store activities and merchandising, employee relations and supervision, and ensuring outstanding customer service. Jonathan's retail management goes back to 2008, during which time he has progressively risen in responsibility from Sales Associate to Co-Sales Manager to Store Sales Manager.

Jonathan's concern for Carter's and his customers extend beyond the walls of the physical store that he manages. He actively networks with his neighboring businesses on issues of safety, sanitation, foot traffic, and loss-prevention. He also is in frequent contact with the Jamaica Center Business Improvement District regarding these issues of importance to the shopping corridor at large. He is eager to represent his fellow merchants on the Jamaica Center Business Improvement District Board of Directors.

A Queens native, Jonathan currently resides in Richmond Hill.
